Ahoy All,

Happy Summer! We had a bit of a bleak mid-winter not being able to persuade the Finance Board to pay for the dredging of the channel into Compo Basin instead of passing the cost on to slip-holders but we put on a valiant effort with letters, emails and speaking out at RTM meetings. I am happy to say that Commissioning Day and our 51th Anniversary went off with its usual bang and given that the day was cold, windy and wet we had a fine contingent of happy boating folks enjoying the excellent bar and accompanying array of appetizers and desserts. Laura Schwartz took the prize with a delicious whiskey soaked bread pudding, perfect for a wet and windy day at the shore. Joining us for the celebration we were honored to have Reverend Dr. Bernard Wilson, senior minister of Norfield Church in Weston, for the Invocation, our own Jim Marpe, Westport's First Selectman, Rick Giunta representing Parks and Rec and Kimberly Wilson who gave us another amazing rendition of America The Beautiful. Several members were honored for their long-time memberships and after the Pledge of Allegiance the canon was fired from the club house deck. The weather at this point was so inclement we forwent the flag raising and returned to celebrating. A wonderful time was had by all and the 2017 boating season was off to a good start. Our annual King Cup Race will be held on the Saturday of Memorial Day weekend. The reception following the race is reputed to be the "Best Party" of the season so please add us to your weekends fun, bring your favorite appetizers, family and friends and join in the festivities.

Best Regards,
Sandie Kinseley,
Commodore
