

THE BARN

GRUIS RECREATIONAL AREA

Present and future generations received a special gift in 1968. This gift was the property now known as "Gruis Recreational Area," given by Mr. Bert Gruis, a local livestock farmer. Mr. Gruis was born August 20th, 1892, attended school and lived in this area most of his life.

Having lived on this lovely 180 acres, he envisioned how it might be developed and enjoyed by others. Before he died in 1968, he had written in his will:

"I hereby give my farm to Winnebago County, Iowa and the real estate shall be under the management of the Winnebago County Conservation Board. This real estate shall be developed for recreational use for the benefit, pleasure, welfare, recreation and enjoyment of the public, without restriction to race, color, creed or religion."

The first project undertaken was the renovation of the original barn into a restaurant and club house, which opened in March of 1976. A 9-hole golf course was developed on 95 acres and opened in August of 1976.

The current managers, Ed and Joyce Griffin, welcome you to the newly renovated "Barn."
