

THE BARN
CLUBHOUSE
BAR & GRILL

In 1968, Bert Gruis gifted in his will the 180 acres that is now known as "Gruis Recreational Area" to Winnebago County. Bert, a local livestock farmer, had great visions for how his land might someday be developed and enjoyed by all.

The will stated: "I hereby give my farm to Winnebago County, Iowa, and the real estate shall be under the management of the Winnebago County Conservation Board. This real estate shall be developed for recreational use for the benefit, pleasure, welfare, recreation and enjoyment of the public, without restriction to race, color, creed or religion."

The first project undertaken was the renovation of the original barn into a restaurant and club house, which opened in March 1976. A 9-hole golf course was then developed on 95 acres and opened in August 1976.
