MAKE A DIFFERENCE

Awarded to the best team in junior hockey, the Memorial Cup is one of the most coveted and difficult trophies to win in hockey. First awarded in 1919, in remembrance of the many soldiers who fought and died for Canada in WWI, it has since been rededicated to the memory of all fallen Canadian Military Personnel.

There will be many different opportunities to leave an everlasting impact to the visitors and fans of the 2024 Memorial Cup. We have a volunteer opportunity for you! Opportunities include:

- Fan Fest
- Event Support
- Hospitality
- Campus Ambassadors
- Transportation
- And more!

You let us know how many hours you are able to volunteer!

MAY 23 - JUNE 2, 2024
