Shore Things

Get new perspectives on Caribbean destinations from our homeports in Miami and San Juan — setting sail through turquoise waters and painted skies. From quiet beach mornings to exhilarating afternoons spent exploring, our Miami voyages feature a stop (and often a late-night-stay) at our private beach club experience in Bimini, Bahamas, the Virgin Voyages Beach Club at Bimini. From exploring the waterfalls of Puerto Plata to diving through the stunning coral reefs of Cozumel, there are so many ways to explore the incredible places we go.

All Shore Things are bookable on our app 120 days prior to sailing (for Mega RockStar and RockStar Sailors, it's 135 days). All Shore Things are subject to change due to pricing, availability, and weather conditions. Discover something completely new, or see a different side of a destination you already love.

CARIBBEAN PORT

Bimini, The Bahamas

It isn't just the impossibly neon turquoise water, or the seemingly unperturbed beaches that coyly dance with the waves that make Bimini so enticing. Sitting on the westernmost part of the Bahamian Islands, Bimini is the far less-visited port home to a decidedly more intimate and visceral heartbeat.

Sapona Shipwreck & Shark Snorkeling

Spend an incredible day on an underwater safari where you'll see a shipwreck, and even share the waves with nurse and reef sharks at Triangle Rock—a controlled environment. The Wreck of Sapona, is widely regarded as the most famous dive site in Bimini and is evidence of the island's storied history. After running aground in the Great Hurricane of 1926, the Sapona was used during US prohibition to store illegal rum. The wreck is teeming with marine life that has made the ship their home.
