

PV Solar Training Application

PV Solar Training Information:

Purpose Focused was awarded an EPA Environmental Justice grant to provide Solar Education/Training opportunities to the Dine' with the goal to develop the skills and knowledge required to establish community-based capacities in the emerging Clean Energy Economy. Our objective is to establish a Dine' Green Workforce capable of building, deploying, installing, and maintaining Off-grid Solar Technology Solutions for their communities.

Interested applicants must write a couple of paragraphs:

First paragraph; please provide us a brief personal and professional profile describing your solar knowledge and experience.

Second paragraph; please describe why you feel you would be a good candidate for our solar training and green workforce employment program.

PFAL will only consider committed applicants, therefore every applicant will be vetted.

Name: _____
