

WELCOME TO: PAGANS IN RECOVERY

Discussion Topic Meeting

(Chairpersons note: 10 min time window for topic share at the beginning and last ten minutes of meeting for burning desires/check in)

Meeting open:

My name is _____ and I am a _____. We are glad you are all here today.

Let's open this meeting with a moment of silence, followed by your version of the Serenity Prayer. Each of us has our own personal relationship with our own Higher Powers. Please take a moment to consider whom you wish to address your prayer and it is perfectly acceptable to join in on "grant me".

I will be starting the prayer with _____ to address my Higher Powers.

Serenity Prayer:

_____, Grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference. So mote it be.

I asked a friend to read:

- The Preamble
- How It Works
- Meeting Guidelines

We enjoy celebrating milestones at this meeting. I have asked a friend to hand out the recognition markers.

We encourage newcomers to share during this meeting. Do we have any newcomers here with us today? Do we have any visitors here with us today? WELCOME everyone! Those of us who have had a spiritual awakening as the result of the 12 steps are here to help you on your journey. We are not here to tell you what to do.

At Pagans In Recovery, sponsorship is important. Will those who are willing to be a sponsor please raise your hand. If you are looking for a sponsor, please see one of these people after the meeting.

The 7th Tradition says that we are self-supporting through our own contributions. We are now passing the basket. These contributions help us to pay for rent of the space and for coffee/snacks. Also, if you need/want the book "The Pagan in Recovery" we either have it for sale or you can purchase it on Amazon.com.

While the pumpkin is going around, do we have any recovery related announcements?

To be sure that everyone can have the opportunity to share, we have a 4-minute timer. When it sounds, please wrap up your share.

Meeting close:

(Chairpersons note: Don't rush the moment of silence at the end)

We have reached the end of the hour. I'd like to thank everyone who shared today. If anyone didn't get the chance to share, please talk to one of us before you leave. We are here to help each other.

In closing, will those who wish to, please join me in a few moments of silence. I encourage you to offer up your gratitude for recovery to whatever Gods, Goddesses, Spirits, Deities or Ancestors which are a part of your spiritual path today.

(Optional: ...as well as take this moment to reflect on the experience, strength and hope shared here today, how we showed up for ourselves and showed up for each other)

THANK YOU!

I wish you all peace and look forward to seeing you again next week! Everybody, please help us clean up before we leave. Feel free to stay and mingle for a bit.
