

SEWING PROJECT 8 – PLANNER

Watch the project video and use the planner to note important information and the step-by-step instructions.

Project Name

Pot Holder

Start Date:

End Date:

To complete the project:

35 cm (14") x 20cm (8") template

3cm (1.1") x 8cm (4") template

35cm (14") x 20cm (8") fabric

Padding to fit 50% of cover fabric

Scrap to make loop

Measurements of project.
(Note pattern size and
finished size.)

14 x 8" (35cm x 20cm) pattern size
Approx. (13.5 x 7.5" (34cm x 19cm)
finished

Your
measurements
(if required).

Marker

Safety pin

Sewing kit – pins, scissors etc

Sewing machine and thread

Your fabric selection and swatches

Swatch	Swatch	Swatch	Swatch	Swatch	Swatch
--------	--------	--------	--------	--------	--------

Instructions

1. Cut out the templates and stick to cardboard.
2. Press the fabric and lay it out flat on the table.
3. Lay the template onto your fabric and place a weight on top.
4. Trace around the outside of the templates onto the fabric.
5. Cut out the fabric piece.
6. Lay the cover fabric flat on table with wrong side upwards. Lay padding piece(s) onto the cover fabric and pin or clip. Make sure there is a sufficient padding. (see video).
7. At each corner make a mitre corner (see video) by folding over the cover fabric onto the padding and clip.
8. Press the cover fabric onto the padding – being careful with the iron at the corners.
9. Make the loop by fold fabric in half lengthwise and sewing down one side. Use a safety pin to turn it right side out and press with seam in middle of back.
10. Baste the loop onto the pot holder at a short end. Make the loop an inverted U placing each end side-by-side. (see video)
11. Fold the pot holder in half making sure all the edges of fabric are inside and pin or clip.
12. Take your pot holder to the machine and SLOWLY sew about 1/4" (6mm) around the outside.
13. Take project out of machine, cut threads and press.

OPTIONAL

Place the sewing template (below) onto the padding and then sew through to hold padding to fabric.

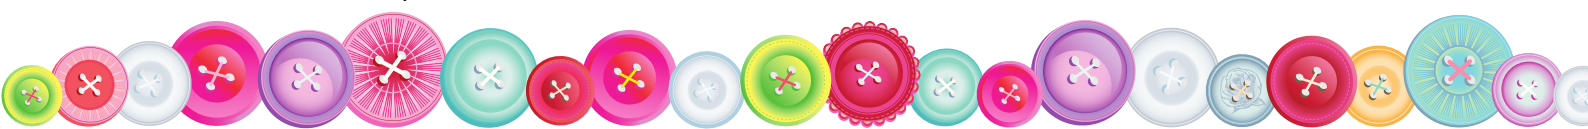

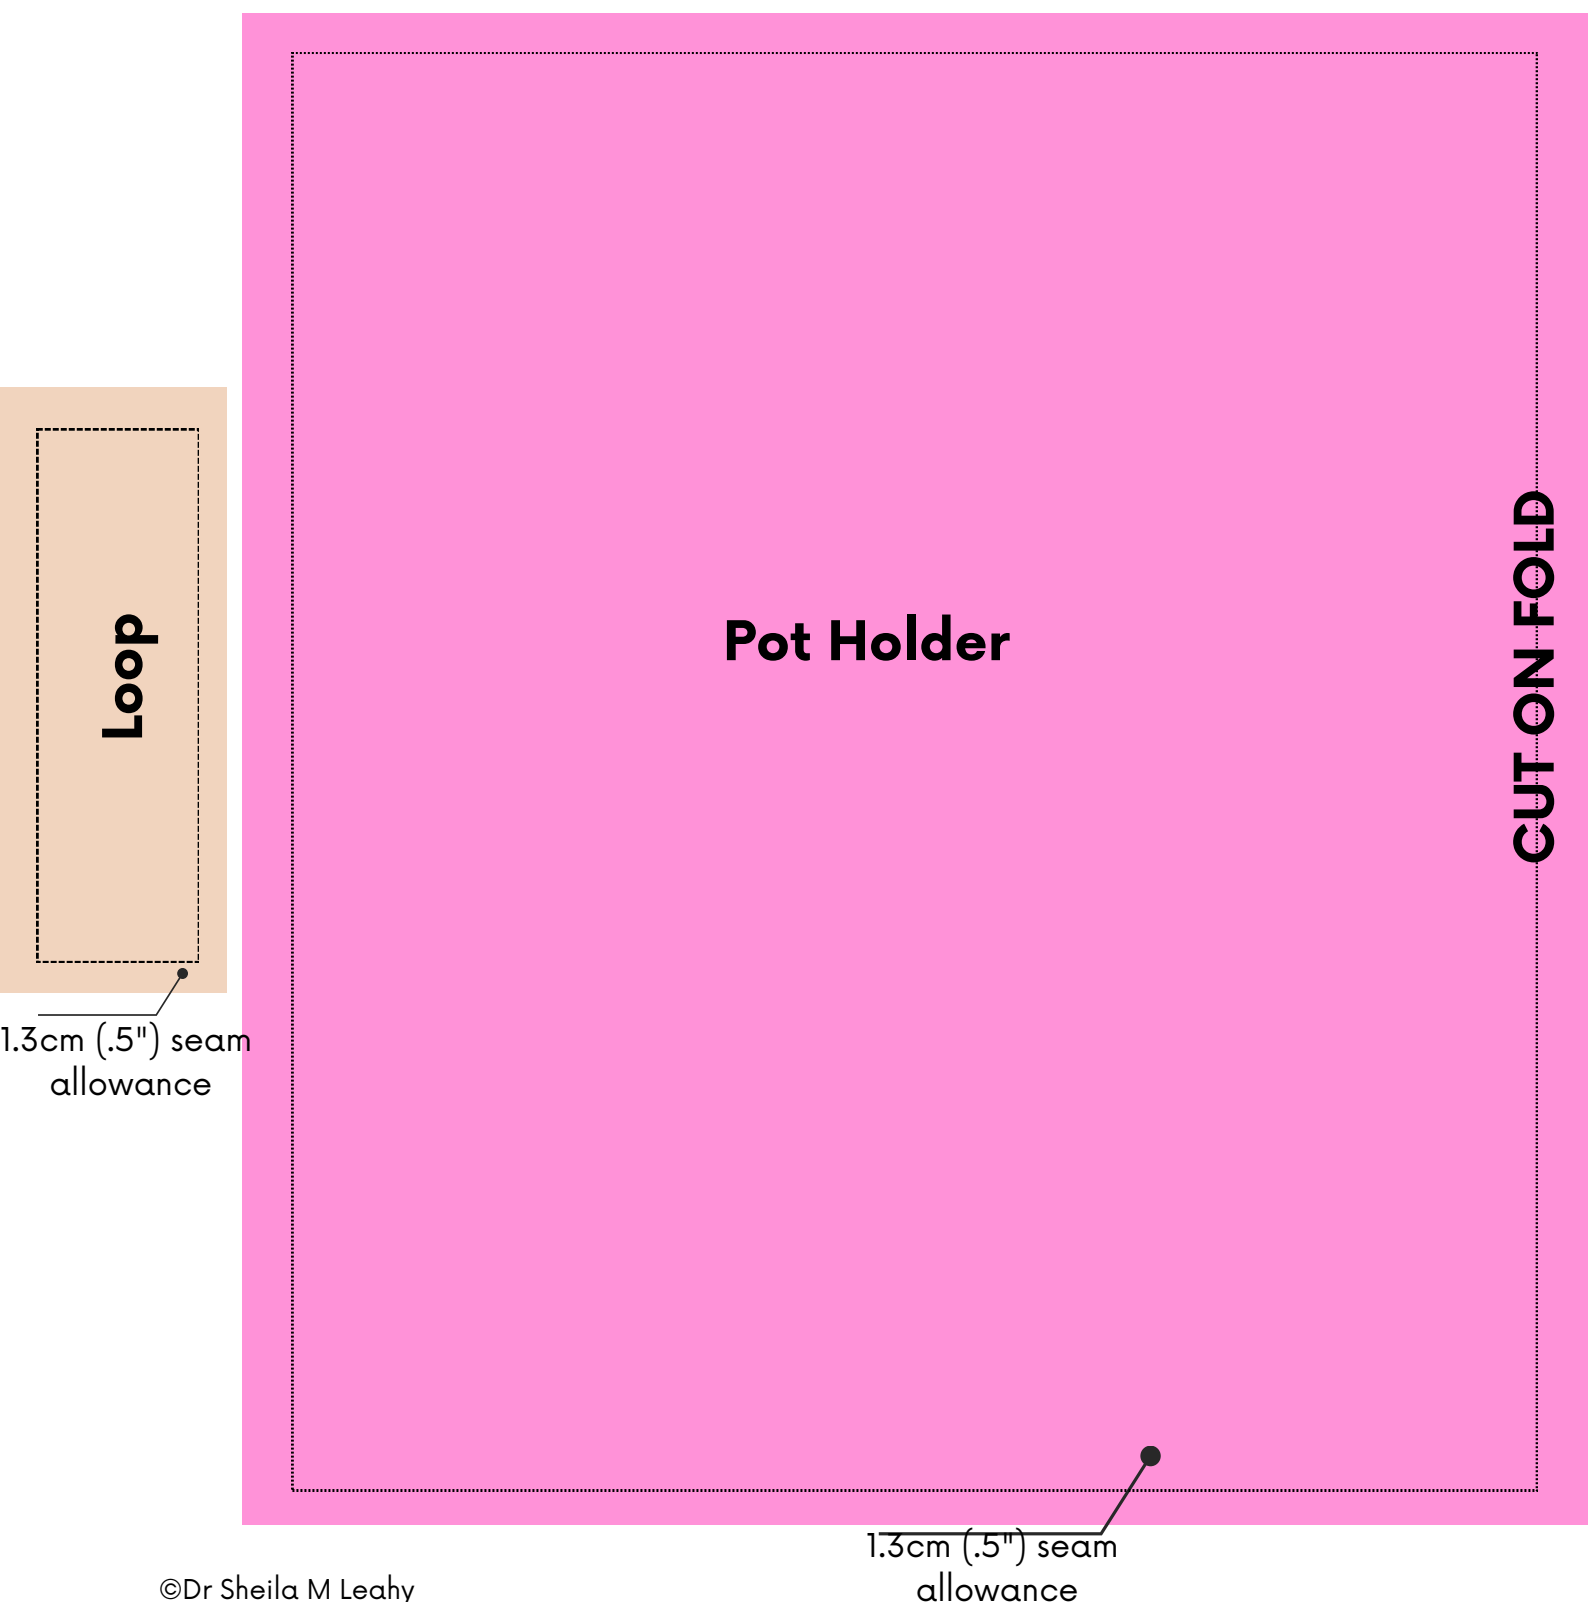

SEWING PROJECT 8 - TEMPLATE

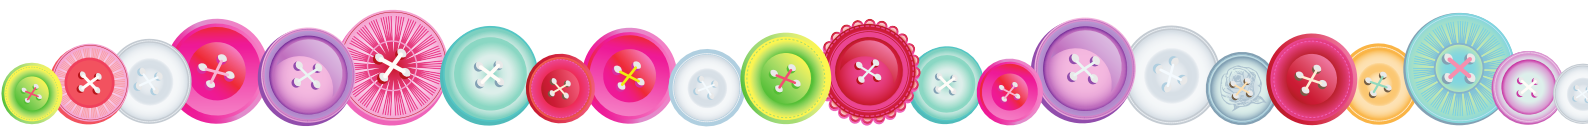

Watch the project video and to note important information and the step-by-step instructions. Measure your mobile phone to ensure it fits this size.

Project - 8 Pot Holder

Cut 1 piece of outer fabric on fold.

Depending on thickness of your padding fabric, cut between 1 & 3 pieces at the half size (single layer) below and then remove 1.25 cm (half inch) so that the seam allowance is clear of padding.
