

Fabric - Designer pre-cuts

Designer pre-cuts are used to provide a whole collection of fabrics in smaller, more affordable ways. The pre-cuts are usually fat quarters (50 x 56 cm or 19 x 22"), fat eighths (25 x 55 cm or 9.5 x 22"), layer cakes (25 x 25 cm or 10" x 10"), jelly rolls (6 x 112 cm or 2.5 x 44") and charm packs (13 x 13 cm or 5 x 5")
