Instructions

1. Cut out the flag template and stick to cardboard.
2. Press the fabric and lay it out flat on the table.
3. Fold in half your flat fabric right sides together. Lay the template onto your fabric and place a weight on top.
4. Trace around the outside of the template onto the fabric. Pin template to fabric.
5. Take folded and marked fabric to machine and sew seam turning at pivot point. Remember to reverse at beginning and end.
6. Clip the point of the flag to avoid bulk inside.
7. Press the fabric and then turn right side out, ease out the seams with a chop stick and press again.
8. REPEAT until all flags completed.
9. Take the pieces of your binding and sew them together into one long strip (if you have bought bias binding you can skip this part).
10. Press the strip flat and lay it face down across the ironing board. Fold the top edge to the middle, and the bottom edge to the middle. Press the first inch so that the two outside edges now meet in the middle.
11. Pin the pressed end of the binding to the ironing board by the iron plate.

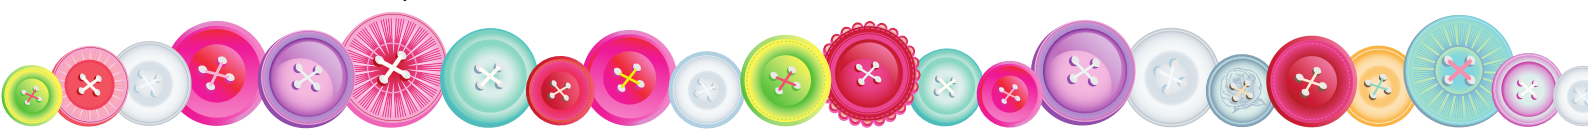

SEWING PROJECT 7 – TEMPLATE

Watch the project video and to note important information and the step-by-step instructions. Measure your mobile phone to ensure it fits this size.

12. Gently stretch the binding so that the edge start to turn over to the middle and press each part along the full length of the binding.
 13. Lay out the binding FLAT (or bias binding) along the table and position each on the bottom half of the binding. Remember to leave some binding to tie the bunting on at each end.
 14. Carefully fold over the top half of the binding onto the flag and pin or clip. Repeat for each flag.
 15. Sew along the entire length of the binding remembering to reverse each end.
 16. Press your project.
- Find your decorations for each flag and either machine or hand sew onto the flag.
