

KITCHEN ASSISTANTS

Lunch Pro, a Food Service Management Company, plans, prepares, provides, and administers meals to schools and other entities in Utah and is now accepting applications for part-time Kitchen Assistants and Substitute Kitchen Assistants. Positions are open in the Roy, Farmington, SLC, West Valley, South Jordan, West Jordan, Herriman, and Lehi areas.

As a newer company we are building teams and growing. We are seeking fun and motivated people who like to show up on time, have fun, learn and grow. We have fun serving students breakfast and lunch. We use fresh fruits and vegetables and prepare those daily. We bake our bread, we make our ranch, we use "from scratch" recipes for a fair amount of our main dish items and still serve classic kid favorites. We love making pizza for our kids. We love to see the kids smile and be part of their day. We make connections that last more than a school year. Do you remember your school lunch people? We do, because we believe in this career choice. Want to fall in love with your next career choice?

Our starting pay is \$13 per hour for part-time positions. We offer paid time off, growth opportunities, and paid training. Full-time positions qualify for health, dental, vision, and 401k after a short waiting period.

Qualified candidates will have a valid Utah Food Handlers Permit. Candidate must also submit for and pass a background check in accordance with Utah's Department of Public Safety requirements.

Must have a willingness to learn, be eager to have fun, have some basic knife skills, read and write, work as a team member, be able to lift 40 pounds, a love of cooking or some basic cooking skills is a major plus! Be willing to laugh at your own mistakes and enjoy an atmosphere of high pace, fast movement, and stress all at once and then cleaning up after service. Really, we are not what you might think of as a school cafeteria worker, because this is a not your typical school lunch way of thinking. We don't have any microwaves; we are our own way of passion in school foods.

Interested and qualified candidates should email a resume to jobs@mylunchpro.com.
