

## **RINGSTONE FUNDING UK LTD**

### **Announces U.S. Expansion**

### **with Three Key Partner Additions**

London, 8<sup>th</sup>, October 2024

Ringstone Funding Limited (RSF UK) is excited to announce the expansion of its operations into the United States, with the addition of three seasoned partners: Salvador Castaneda, Mitchell Posada, and Amy McCawley. This significant growth move strengthens our presence in the U.S. and further cements our role in driving sustainable energy investment and innovation.

#### **Meet Our New Partners:**

- Salvador Castaneda LinkedIn Profile ( <https://www.linkedin.com/in/salvador-castañeda> )
- Mitchell Posada LinkedIn Profile ( <https://www.linkedin.com/in/mposada> )
- Amy McCawley LinkedIn Profile ( <https://www.linkedin.com/in/amy-mccawley-70aa116> )

Together, these industry leaders bring unmatched expertise in Renewable Energy, Electric Vehicles (EV), Energy Storage, Hydrogen, Waste-to-Energy, AgTech, CleanTech, Artificial Intelligence (AI), DeepTech and Web 3.0 Technologies. Their extensive experience will help us better serve startups, scale-ups, and enterprises seeking funding through Sustainability / Green Bonds for capital-intensive projects.

#### **Strategic Locations:**

Our new partners will operate from key U.S. innovation hubs, including:

- San Francisco, CA
- Boulder, Colorado
- Santa Fe, New Mexico

These locations are pivotal to our strategy, positioning Ringstone Funding at the forefront of clean energy investment and innovation in the U.S. market.

#### **Our Commitment to Sustainability:**

This expansion reflects our continued dedication to supporting the growth of sustainable energy solutions globally. With the expertise of Salvador, Mitch, and Amy, we are well-positioned to help clients navigate the rapidly evolving renewable energy landscape and achieve their funding goals.
