

GET CONTROL OF YOUR CREDIT CARD DEBT **REFI WITH HELOC**

We can get rid of your revolving credit card debt.

We help you figure it out with simple approach and a low fixed interest rate.

We refinance your debt at a much lower rate than you are currently paying using the equity in your home so that you end up saving money with a lower payment each and every month.

Our home equity process is different:

- Usually we do not require a traditional appraisal.
- Unlike most lenders, we can lend up to 95% of your home's value (assuming you meet our minimum credit score requirements).
- Your funds will be available within 2 to 4 weeks of initial application.

Contact our team to find out more about this and other refinance options available.
