Facial Antiaging

LIFTING HYALURONIC ACID

FIRMING
RE-MINERALISING
RE-VITALISES THE CELLS

LIFTING SERUM HYALURONIC ACID

30 ml / 1 fl.oz — Code 011
50 ml / 1.7 fl.oz — Code PR526

Dazzle your skin with the texture and lifting effect of this innovative serum that firms, defines and softens. Formulated with high concentrated hyaluronic acid, it exerts a "molecular sponge" effect and its action reduces wrinkles and provides extraordinary hydration. It also enhances the synthesis of collagen providing firmness. As a result, more defined facial contours are created, and the skin is rejuvenated.

MAIN INGREDIENTS:
Hyaluronic Acid, Horse Chestnut, Green Olive, Alexandra Rose.

METHOD OF USE:
Apply some drops to the face and neck using soft, circular ascending movements paying particular attention to frownlines. Proceed to apply the usual skincare treatments.

EYE & LIP CONTOUR LIFTING HYALURONIC ACID

15 ml / 0.5 fl.oz — Code 015

Helps to bring back smoothness and firmness to the eye and lip contour. Prevents frownlines that are produced throughout the day due to tiredness. It has high bio-activating powers along with stimulating, moisturising, anti-oxidising and anti-wrinkle properties.

MAIN INGREDIENTS:
Hyaluronic Acid, Pennywort, Horse Tail, Green Olive and Vitamin E.

METHOD OF USE:
Apply in the morning and at night on clean skin using light tapping movements without dislodging the tissues.

LIFTING MASK HYALURONIC ACID

100 ml / 3.4 fl.oz — Code 045
200 ml / 6.7 fl.oz — Code PR575
500 ml / 16.9 fl.oz — Code PR659

For all skin types showing signs of sagging, reduced tone and loss of firmness. Properties: it enables the regeneration of collagen and elastin molecules. It enhances skin tone and firmness.

MAIN INGREDIENTS:
Hyaluronic Acid, Rosemary, Rosehips, Green Olive and Rose.

METHOD OF USE:
Apply once a week to boost treatment action or as an addition to other treatments helping the skin to regain its firmness. Apply a generous amount to the face, neck and upper chest and leave for 20 minutes. Wash off with cold water.

HYALURONIC ACID VEILS MASK

6 units. — Code PR654

For all skin types showing signs of sagging, reduced tone, and loss of firmness. Properties: activates the regeneration of collagen and elastin molecules, improves skin tone and firmness.

MAIN INGREDIENTS:
Hyaluronic Acid, Horse Chestnut, Green Olive and Alexandra Rose.

METHOD OF USE:
Professional use only.

50 ml / 1.7 fl.oz — Code 027
200 ml / 6.7 fl.oz — Code PR553

Indicated for skin that is beginning to lack firmness, elasticity and dehydration. It reduces the appearance of capillaries and aids the formation of new collagen fibres.

MAIN INGREDIENTS:
Hyaluronic Acid, *Ginkgo Biloba*, Ginseng and Rosehip, Thyme and Rose.

METHOD OF USE:
Apply every morning with circular toning movements across the face, neck and upper chest. To boost its tensile action apply some drops of Lifting Serum Hyaluronic Acid.

BIOCELLULAR

BALANCING AND ANTI-OXIDISING.
REGENERATES, REVITALISES, STIMULATES AND DEEPLY
EMPOWERS THE ENERGY OF THE SKIN.
RENEWS THE TISSUES.

An integral skin treatment especially designed for fighting signs of cellular aging. It combines the most sophisticated natural active ingredients with the Massada TM Complex in order to achieve a visibly younger, more energised and deeply hydrated look. The Massada BioCellular Line products are ECOCERT approved. This is the Maximum Guarantee for Natural and Ecological Cosmetics.

BIOCELLULAR TOTAL REGENERATION CREAM

50 ml/1.7 fl.oz – Code 029
200 ml/6.7 fl.oz – Code PR605

A cream which keeps the skin moisturised for 24 hours, reviving its luminosity and vitality. Soya and the rosehips reduce wrinkles and stains, while the Massada TM Complex, rich in vitamins and minerals, fights signs of premature aging due to its efficient anti-oxidising action.

MAIN INGREDIENTS:
Massada TM Complex, Avocado, Jojoba and Calendula.

METHOD OF USE:
Can be used on all skin types as a day and/or night cream. Apply to face, neck and upper chest using ascending and circular movements until fully absorbed.

BIOCELLULAR REGENERATING SERUM

30 ml/1 fl.oz – Code 192

This concentrate serum restores the skin by stimulating collagen synthesis and elastin. It reduces signs of cellular oxidation and achieves firmer and more hydrated tissues by enhancing the appearance of tired and devitalised skins. Reduces blemishes and evens out skin tone.

MAIN INGREDIENTS:
Rosehips, Vitamin E, Massada TM Complex.

METHOD OF USE:
For all skin types. Apply to the face, neck and upper chest by massaging with circular movements until fully absorbed. For mature skins we recommend to add a few drops of this serum before applying the BioCellular Total Regeneration Cream to boost its action.

BIOCELLULAR BOTANIC MICELLAR WATER

200 ml/6.7 fl.oz – Code 190

Fusion of plant extracts that offers deep cleansing in a single step. Its micelles effectively capture the dirt particles with no greasy film or residue left over. Soothes and softens the skin giving it a silky look.

MAIN INGREDIENTS:
Chamomile, Calendula, Mallow, Rose, Grapefruit and Palmarosa.

METHOD OF USE:
Apply morning and night on the face with a make-up removing cotton pad with gentle movements. Then, spray on the toner.
