

Directions to 7785 and 7775 Nonpariel Road – Phoenix Rising Villa and couleur de la vie

Hello guest!

We have compiled the following instructions for getting to our property. In most cases your GPS Maps application will get you here. But just in case it's not accurate, here's some detailed instructions for navigating the last couple miles of your drive.

We recommend using GPS, but two things to note:

- There's currently construction happening at Wellsona (the GPS exit from 101 freeway). We would recommend exiting at East 46/Nacimiento Road or San Marcos Road, and letting your GPS adjust.
- Some GPS systems say you have arrived a quarter of a mile before our property. We have placed 4 signs along NonPariel Road to guide you to our driveway see below.

General directions with pictures:

1. Your GPS will navigate you to San Marco's Road either via Nacimiento Road or the San Marcos exit.
2. **Turn onto Mahoney from San Marcos Road.** Continue straight and the road will change to Drake Road at the first intersection. As you go through this intersection you will see a "Home of the Almond" sign on the right.
3. **Turn Right on NonPariel Road from Drake Road.** At this intersection you are 1.5 miles from our property. Stay on the main road until the end of the road.
4. **Look for 4 white signs with black lettering that have both 7775 and 7785 on them to help with navigation:**

- a. First sign at Drake and Nonpariel Road

- b. Second sign at a junction of driveways
- c. 3rd sign at this junction of driveways

- d. 4th sign

- 5. After seeing those 4 signs you will continue along Nonpariel and then drive straight up the paved driveway you see in the photo below.

Drive up this driveway and you will see the amazing views and our home and suites on the left.
