Our Story

**INTERNATIONAL
STAIR PRODUCTS INC**

Your complete stair supplier

Founded in 2016 in Dallas, Texas, International Stair Products, Inc. proudly partners with the world's largest stair parts manufacturer, serving over 50 countries around the globe. We offer a comprehensive range of stair components, including handrails, newels, balusters, wood steps, cove moldings, S4S materials, and more.

Our collection includes everything you need for your staircase project - from metal to wood. We specialize in fine wood species like North American red oak, white oak, maple, poplar, hickory, and beyond. With an extensive selection of colors, designs, and finishes, we help you create beautiful spaces and bring the perfect finishing touch to your home or renovation project.

At ISP, we believe that happy customers are the best advertisement. That's why we're dedicated to offering outstanding quality, excellent value, and friendly service — every step of the way. Your satisfaction is what drives us, and seeing your finished project come to life is our greatest reward.

International Stair Products, Inc. — your trusted partner for all your stair parts needs.

Valuable Services

A photograph showing a close-up of a wooden cove trim installed on a white wall. The trim is made of light-colored wood and has a curved, decorative profile. It is mounted on the wall, and a dark metal railing with vertical balusters is visible in the background. The railing is positioned behind the trim, and the wall is white. The floor is a light-colored, textured material.

Cove & Trim

Coves and trims add the perfect finishing touches, transforming your stairway into a beautiful feature that you and your family will treasure.
