

AMENDMENT TO THE BYLAWS

An oversight in the 2024 adopted Bylaws needs attention and correction.

Article VIII Committees, Section 1, H Communications Committee reads:

Establishes and maintains the **local publication** distribution system, i.e. Pony Express, to ensure Association notices and information is available to the members.

PROPOSED CHANGE: Delete the highlighted “local publication.”

JUSTIFICATION: Eliminating “local publication” reduces confusion with the Greenbrier Gazette, which is a separate, independent publication NOT connected to the GPOA.

- “Distributes membership decals, meeting notifications, election ballots, **the Greenbrier Gazette**, and the Greenbrier Directory are among the responsibilities of the Committee.”

PROPOSED CHANGE: Delete the highlighted “the Greenbrier Gazette.”

JUSTIFICATION: The Greenbrier Gazette is a separate, independent publication and is NOT connected to the GPOA.
