

# Continuing Care Assistant

25-Week Diploma Program | Hybrid Delivery  
18 Weeks Theory, 6 Weeks Practicum

The Continuing Care Assistant program offers a hybrid delivery, combining remote theory, in-person labs, and practicum placements to prepare you for a high-demand career in healthcare. Our provincially approved program is designed to fast-track your training, allowing you to complete it more quickly than traditional programs in Nova Scotia. This flexible, efficient approach equips you with the essential skills and qualifications, blending convenience with hands-on experience, so you can enter the healthcare workforce sooner.
