SCHOOL OF MEDICINE**

*Accredited By*

# AMERICAN UNIVERSITY OF BARBADOS

The American University of Barbados, School of Medicine is CAAM-HP accredited and among the top universities of the Caribbean. Our mission is to provide a cadre of physicians who have world-class competence and are emotionally and culturally sensitive to provide compassionate care.

With an array of distinguished faculty, innovative teaching methodologies, research programs, community-based events and a multi-cultural environment, the school inspires students to strive for and meet high levels of academic and personal achievements.

Our USA based curriculum is designed specifically to meet the licensing requirements in the United States and other countries. AUB graduates can practice as medical professionals globally after qualifying the requisite examination in the country of their choice.
