Honor Code & Expectations

The AICE coordinator recently visited all AICE and pre-AICE English classrooms to go over this year's Honor Code and AICE Expectations with students.

Students took a copy of each of these documents home with them, along with an agreement page that listed the dates of their AICE exams and asked for parent and student signatures agreeing to the policies and procedures.

These procedures apply even if students do not bring the signature page back, but we would still like them returned so that we know everyone is aware of the expectations.

If your child still has their signature page, please sign and return at your earliest convenience. Replacements can be found on the Docs/Forms page at NorthPortAICE.com, or students can see Miss Cynthia in the attendance area.
