

THEMED SUITES

Specially conceived suites for Special Guests

CASTLE THEMED SUITE

Immerse yourselves in a world of royalty in our exclusive castle-themed suite. This luxurious accommodation, designed to spark the imagination of all ages, transports you to a bygone era. From grand tapestries and plush four-poster beds to a turret-inspired sitting area, every detail evokes the grandeur of a medieval castle, ensuring an unforgettable stay for your most distinguished guests.

SAFARI THEMED SUITE

Escape to the African savanna in captivating safari-themed suite! Designed to ignite your sense of adventure, the space is teeming with life. Waking up to a hand-painted mural of a sunrise over the acacia trees with textured walls reminiscent of sunbaked earth. Lush carpeting feels like soft grass underfoot while animal print throw pillows and strategically placed carved furniture complete the immersive experience.

OCEAN THEMED SUITE

Dive into tranquility in breathtaking ocean-themed suite! Waking up to a panoramic window showcasing a vibrant coral reef teeming with colorful fish. Shimmering blue walls adorned with seashell mosaics and sleek furniture in calming wave-like shapes create a serene atmosphere. Subtle lighting mimics the gentle sway of sunlight filtering through the water while soft, textured throws evoke the feeling of swaying seaweed. This suite promises a truly immersive escape to the wonders of the deep.

TREETOP THEMED SUITE

Whisk yourself away to a whimsical escape in enchanting treetop-themed suite! Upon entering, textured wallpaper with a leafy motif and a hand-painted ceiling depicting a clear blue sky with fluffy clouds instantly transport you to a hidden canopy. Cozy armchairs upholstered in a mossy green fabric flank a coffee table crafted from a reclaimed tree trunk. Sunlight streams in through strategically placed windows, casting dappled light on the plush king-sized bed adorned with a knitted throw reminiscent of a spiderweb. The suite bathroom features a walk-in shower with rainfall effect, creating the tranquil sensation of a refreshing waterfall shower amidst the trees. Every detail in this suite invites you to reconnect with the magic and wonder of nature's embrace.

SPACE THEMED SUITE

Blast off into ultimate relaxation in celestial space-themed suite! Stepping into a world of inky darkness punctuated by a million twinkling stars – a fiber optic ceiling that mimics the Milky Way. Deep, midnight blue walls are adorned with murals of planets and nebulae while strategically placed lighting creates the illusion of floating amidst a cosmic dance. Plush armchairs in the shape of astronaut pods invite you to unwind while a plush, round bed resembles a futuristic sleep pod. For a truly out-of-this-world experience, a large window fitted with a controllable starry night sky projection system completes the immersion. This suite promises a restful and awe-inspiring escape to the vast unknown.
