

PRIVATE DESIGN SUITES

Beyond imagination, themed accomodation.

PARTY SUITE

RABBIT THEMED SUITES

Stepping into the inspired party suite was like entering a hedonistic wonderland. Playground for the senses, a place where inhibitions were shed as easily as clothes, and every night felt like an exclusive, star-studded soiree.

ROYAL SUITE

BRITISH THEMED SUITES

Whisked back to a bygone era of Downton Abbey grandeur. World of hushed whispers and refined elegance, a place where hosting a high-society soiree or plotting secrets worthy of Her Majesty herself.

COMPOSER SUITE

MOZART INSPIRED SUITES

A musical sanctuary. The air vibrated with the faintest whisper of concertos and symphonies, the very walls pulsing with the maestro's genius. Haven for the soul, a place where inspiration swirled in the air like dust motes and every note hung heavy with the promise of creative bliss.

PIANIST SUITE

CHOPIN INSPIRED SUITES

Nocturne, a hushed reverie painted in moonlight and melody. It was a sanctuary for the soul, a haven where every creak of the floorboard sounded like a half-remembered melody and every sigh of the wind whispered a melancholic nocturne. In this hushed symphony of light and shadow, almost hear Chopin himself, his nimble fingers caressing the ivories, weaving tales of love and longing into the very fabric of the night.

AGENT SUITE

JAMES BOND THEMED SUITES

Entering a high-octane movie set, sleek and sophisticated with a touch of playful danger. Spending a night in the Agent Suite wasn't just about luxury; it was about living the Bond fantasy. It was a playground for the inner secret agent, a place where you could sip martinis, flirt with danger, and wake up feeling like you'd just saved the world, all before breakfast. It was, quite simply, an unforgettable indulgence in the life of 007.

SCARLETT SUITE

GONE WITH THE WIND THEMED SUITES

Twirling into a scene straight out of *Gone With the Wind*. Gone were the worries of the modern world, replaced by the opulent charm of the antebellum South. World of hoop skirts and stolen kisses, moonlight serenades and whispered promises. In the Scarlett Suite, you are not just a guest; you are Belle of the Ball, ready to take center stage and dance the night away in a whirlwind of silk and satin. As the dawn crept in, painting the sky in hues of Scarlett's fiery spirit, experience more than just a night's stay; a Southern dream.

WESTERN SUITE

WILD WEST THEMED SUITES

The air buzzed with the faint twang of unseen guitars, and the aroma of leather and woodsmoke hung heavy in the air. Drift off to sleep, lulled by the whisper of the wind through the pines, dream of tumbleweeds and tinhorn gamblers, six-shooters and spirited saloon brawls. In the Western Suite, the line between fantasy and reality blurred, live the life of a true gunslinger – without ever leaving the comfort of luxurious hideaway.

METROPOLIS SUITE

SUPERMAN INSPIRED SUITES

Stepping straight onto the Daily Planet's rooftop, Metropolis sprawling beneath like a glittering emerald tapestry. Playground for the inner hero, a place where you could sip cocktails overlooking your glittering domain, adjust the city's skyline with a flick of your wrist, and wake up feeling invincible, ready to face the day like the Man of Steel himself. Kryptonite-free escape to a world where anything seemed possible, all from the comfort of a plush hotel suite.

GOTHAM SUITE

BATMAN INSPIRED SUITES

Slipping into the shadows of a Tim Burton film, a noir-tinged playground for the inner vigilante. Playground for the inner detective, a place where you could don an invisible cowl, crack codes from your plush armchair, and wake up feeling like the Dark Knight himself, ready to prowl the night and keep the city safe. Unforgettable escape into a world where shadows held secrets and every corner promised intrigue, all from the comfort of a luxurious haven above the glittering sprawl of Gotham.

STARK SUITE

GAME OF THRONES INSPIRED SUITES

Crossing the threshold into Winterfell itself. The air, crisp and cool, seemed to carry the scent of pine and snow, while heavy furs draped over the furniture whispered of harsh northern winters. Stepping into the shoes of a noble Northerner. A place to don an imaginary fur cloak, raise a toast to fallen comrades, and wake up feeling as strong and unwavering as Ned Stark himself. Escape into a world of honor, loyalty, and the bittersweet beauty of the North, all from the comfort of a luxurious haven high above the bustling city.

LOS GALACTICOS SUITE

REAL MADRID INSPIRED SUITE

Walking onto the hallowed turf of the Bernabéu, the roar of the crowd still echoing in the plush velvet walls. Emerald green hues, the color of the pitch itself, dominated the space, while golden accents shimmered like championship trophies. Place to lace up your imaginary boots, strategize on the plush armchairs and wake up feeling invincible, ready to take on the world like Cristiano Ronaldo himself. Temple to the beautiful game, a shrine to attacking flair and unyielding passion, all from the comfort of a luxurious haven fit for a champion.

BRICKS SUITE

LEGO INSPIRED SUITE

Tumbling headfirst into a life-sized wonderland. The air crackled with the electric anticipation of a million potential builds, the plush carpet a vibrant mosaic of primary colors begging to be stepped on. Whispered tales of epic adventures and fantastical creations. Unleash the architect within and wake up feeling like a master builder, ready to tackle the day with boundless imagination and a pocketful of colorful bricks. Where anything is possible, brick by glorious brick, all from the comfort of a luxurious haven that would make even the most serious adult grin from ear to ear.
