Frequently Asked Questions

What is the difference between level 1 and level 2 classes?

Level 1 Classes - have a minimum age of 2 years old (Acro Stars - 3 years) and can enter the studio without a parent, students are expected to follow teacher instructions and not run in and out of the studio for parent support.

Level 2 Classes - students should meet all of the criteria for level 1 and be 4 years old by the start of the first term. Child must not require support of a parent or teacher to settle and is required to use the toilet independently.

If we miss a class can it be made up on another day of the week?

Yes make up lessons are available for any absences from all preschool classes. Please contact the office to book this in.

Can I watch my child's classes?

In our experience preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings. Our program has been endorsed by leading child care experts who support the independent learning model. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness. Having said that, a lot of children are timid at first and need to know that a parent is close by. Our program allows parents to watch the first class if necessary to help them adjust.

Are your teacher's qualified?

All teachers have their Working with Children Check (or equivalent) and follow the program that is endorsed by early learning experts. Ready Set Dance teachers are required to gain their certification from Ready Set Dance head office before delivering the program.

Do we need to purchase uniform and shoes?

Students must wear the Ready Set Dance uniform. However, we need to make sure we are the right fit for you and your child before committing to anything. Comfortable clothes and sneakers are fine for the first couple of lessons. Once your child has settled you can purchase the official Ready Set Dance uniform at reception which we are sure you will love.

What is watching day?

Watching day is where parents get to view their child dance as an audience in the classroom. It's a chance for your child to begin their first step to working on their performance skills.

What will my toddler learn in Ready Set MOVE with Me?

The class has been created by experienced dance professionals, professional songwriters and early learning experts. There are benefits in every song! Our original mirror song is designed to teach toddlers the 16 hand gestures they should be developing by 16 months.

Who can participate in the Ready Set MOVE with Me classes?

Ready Set Move is an inclusive program that welcomes all grown ups. Mums, dads, grandparents and special friends can all join in the fun. We do ask that only ONE grown up accompanies each toddler to help us abide by space restrictions and requirements. Grown ups need to be physically able to sit on the ground, get up and down off the floor and lead toddlers through the exercises.
