Takeaway Meals for Families

You're beyond over doing the dishes, but you need to feed the people you live with. These restaurants have meal kits that can bring you one evening of freedom from having to be the chef, busser, and dishwasher of the household. Treat yourself—you deserve it!

Little Sheep Create a communal dining experience over a hot pot at home with a kit (\$45-\$120) that comes with sliced meats like ribeye and pork belly; a fresh veggie platter; two broths—a spicy one with Sichuan peppers, the other chicken. They'll even sell you a tabletop stove for \$20. 4718 Clairemont Mesa Boulevard, Clairemont, mongolianhotpot.com
