Philanthropy during the holidays is particularly impactful because it addresses the heightened needs of individuals and families who may be struggling. Economic pressures, colder weather, and the social emphasis on celebration can leave some feeling excluded or overwhelmed. By organizing food drives, toy collections, or community meals, Masonic lodges can help alleviate these burdens and ensure that more people experience the joy and warmth of the season.

Moreover, holiday philanthropy provides an opportunity for lodges to inspire others. Through visible and meaningful charitable efforts, Masons can set an example for the wider community, encouraging a spirit of generosity and service. Whether it's stuffing baskets full of goodies for those in need or volunteering time to assist the community, these acts remind everyone of the importance of helping one another and fostering connections during the holiday season.

In embracing philanthropy during the holidays, Masonic lodges reaffirm their commitment to the principles of Freemasonry—charity, brotherhood, and the betterment of humanity. These efforts bring light and hope to those in need, ensuring that the true spirit of the season is shared by all.

Our lodge has many great philanthropic traditions, and we can likely do more. As fraternity membership dwindles, we need to stay focused more than ever on the needs of the communities and be strict with our core Masonic principles. We need to reach out to other lodges and perhaps combine our efforts within the jurisdiction to support as many as we can.

William D. Boker Thanksgiving Basket Program

Our Lodge once again assembled and distributed Thanksgiving Baskets and Prepared Meals for those in need with our partner JSSA.

Many thanks to all Brethren and family members who helped to support the Thanksgiving Basket Program this year. As can be seen by the pictures, we had a great turnout which helped to efficiently load the truck and create the baskets which were then distributed by JSSA Volunteers. In addition to the 60 baskets, there were 90 prepared meals purchased from Costco. So, all in all, 150 families in need will be celebrating a joyous Thanksgiving this year.

We also want to thank all of those who made monetary donations which helped to support this event and will continue to support events like this in the future.

Beginning with the building of King Solomon's Temple in Israel and throughout the Middle Ages, a guild of operative stone masons became known for their mastery of the building arts and sciences. They went on to build all the awe-inspiring temples and cathedrals of the Biblical lands and throughout Europe. The need for this operative guild was diminished as colleges and universities became the source of learning. Our ancient Brethren then developed a system of building temples in the hearts of men by teaching them the beauty of Brotherly Love, Relief, and Truth. These speculative attributes are conveyed to Freemasons through a series of Degrees and in rituals that have deep meanings for those few who figure them out and put them to use in their daily lives.

Brother **Jerry Keilsohn** is one of those few who "get" it and who set-out to put "it" to good use. In a very short time, he has become known as a true worker in the art of Freemasonry. He was raised in 2014 and became Master of his lodge in 2020 which became a Covid year. He felt that 'virtual' meetings didn't allow him the full experience, so he jumped back into the Master's chair in 2022. Now he has ideas that will give us our best chance to celebrate our 100th anniversary with a good view of our next century. As the saying goes – "Third time's a charm."

Worshipful Master Jerry Keilsohn

Most Worshipfuls, Worshipfuls, Brethren and especially our guests.

Good afternoon.

When I was standing in this same spot three years ago, I never expected to be doing this again. I was hoping that I would get a chance to sit on the side-lines. That did not happen and here I am.

My Grand Mom Rose would have described the situation in two words – Oy Vay!

My goal for this year is to see if we as a Lodge can actually make it to our 100th anniversary on December 16, 2025.

I promised myself that I would not dwell on the negative.

On the positive side. Everybody has seen my planned schedule for the coming year.

Five meetings; February 16th, May 18th, August 17th, November 16th, and December 21st. Third Sunday, and all at 3:00PM. Lodge first then dinner, Festive Board after. And dinner is not pizza out of a box. It will be a full meal with a speaker to go with dinner.

Brethren, you have between a 6 week and a 53 week advanced notice to adjust your cable tow accordingly.

A quick rundown on part of the bigger schedule.

February 15th – Stated - Invited Speaker: Bro. Charles Matulewicz, Archeoastronomy lecture.

March 30th – Special - Fellowcrafts Degree

May 18th – Stated and will be a traditional Festive Board, complete with the seven toasts, and the banging of the cannons. I believe I have a speaker for the evening, but will need to confirm in a few weeks.

August 17th Stated will be Beer, Burgers, Brats, and Bingo – an indoor picnic on what likely is going to be a hot and humid August day in Washington, DC. – This one will be open to everybody.

September 21st – Memorial Afternoon – All are welcome

November 16th – Stated - Elections, Awards, etc.

December 21st – Stated – Installation of Officers. Again an

open installation like today.

Sometime in the fall, we are going to have a Banquet to celebrate our 100th anniversary. The exact date is to be determined by the 100th anniversary committee.

It is not clear exactly where or how Grand Visitation will fit in. The incoming Grand Master has not shared his plans, yet.

We will continue to do the monthly meet-ups.

But I cannot do this alone. If I do not get some real help, this year I will be standing in this same place handing the Lodge Charter to the Grand Master.

I have a thought exercise for all the Master Masons in the room, specifically for my #45 brethren. Why are you a Mason?

For those interested, I expect to continue to travel this year. In the last two weeks, I have attended seven installations, and

have one more to go. One interesting thing about traveling. In the last year, I have sat in every chair for a lodge meeting, except one – Chaplain.

And before I finish, I want to thank my wife, Leah. She too was not expecting me to be standing here again.

As I always do, I will finish with a quote:

‘Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.’

Pre-Thanksgiving Meet-Up at Firehouse One

By Hal Henig

On Sunday evening, November 24, Samuel Gompers-Benjamin Franklin Lodge #45 held its monthly meet-up at Firehouse One in Silver Spring, Maryland. The restaurant is located on the site of the original Silver Spring Firehouse, which was moved across the street to Georgia Avenue.

The Firehouse One meet-up took place on the same day as our lodge's Annual Thanksgiving Baskets event, which was held earlier in the morning at the Kensington Masonic Lodge. Nine brethren and guests attended the dinner social. The participating Brethren included Tiler Hal Henig, Meet-Up

Chairman David Torchinsky, PM, and Brothers Lee Silverman and Alan Karpas. Our guests were Lisa Henig, Laura Torchinsky, and Sharon, Renie, and Stuart Zitomer.

The attached photo shows the brethren and guests facing the server who took the photo. We enjoyed each other's company, unfortunately, the service was very slow.

We hope everyone had a wonderful Thanksgiving with their families, enjoying a delicious turkey and stuffing meal. Again, happy holidays to all!
