EMBRACING HOPE & RESILIENCE

Amidst the ongoing challenges facing Haiti, Path to Salvation continues to stand as a beacon of hope in the heart of Titanyen. Our mission to help bring the light of the Gospel to the people of Haiti remains unwavering, even in the face of adversity.

Throughout the past months, we have continued our steadfast commitment to serving the children and families of Titanyen. In January alone, Path to Salvation, Inc. provided approximately 450 plates of food to the church members through our feeding program. Additionally, we rejoice in the three individuals who accepted Jesus Christ as their Lord and Savior while attending Path to Salvation Church during this time.

As we look back on these blessings, we are reminded of the transformative power of God's love and the impact of our collective efforts.

Looking ahead, we are hopeful that we can overcome any obstacles that lie ahead and continue to make a positive difference in the lives of those we serve.

HOPE IN UNITY: 21 DAYS OF PRAYER FOR HAITI

As the challenges facing Haiti persist, the Path to Salvation, Inc. board of directors is embarking on a journey of spiritual growth and unity. From March 1 to March 22, we will be reading "**The 21 Most Effective Prayers in the Bible**" by Dave Earley, culminating in a day of fasting on March 22, coinciding with the start of Passover.

During this time, our focus will be on lifting up prayers for Haiti, Pastor Wesley, the staff, and congregation of Path to Salvation Church. We believe in the transformative power of prayer, and we invite you to join us in interceding for God's grace, protection, and provision over the beloved community of Titanyen.

We recognize that the challenges facing Haiti are vast, but we firmly believe in the power of collective prayer to bring about positive change. Whether you choose to pick up a copy of the book and read along with us or simply join us in prayer and fasting on March 22, your support and participation are invaluable.

May our prayers be a source of strength, hope, and healing.

"Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven." - Matthew 18:19

MEET CASSANDRA ROBNETT

Hello! I'm Cassandra Robnett. Together with my husband Chad, we call Chickasha, Oklahoma, home.

Professionally, I'm a freelance graphic designer and business consultant, balancing my work with a deep passion for volunteering. It was during a chance encounter with Pastor Wesley at a luncheon in Haiti that our journey with Path to Salvation began, sparking a lasting connection and a shared commitment to helping.

For over three years, I've served on the board of directors for Path to Salvation, Inc., witnessing the growth of the church and the challenges faced by Pastor Wesley and his congregation. Despite the hardships, I remain inspired by their unwavering faith and resilience.

A DEVOTIONAL OFFERING BY SUE LENNARTSON

Greetings of God's provision and faithfulness to all who love and support our Haitian families - the congregation and community of Path to Salvation.

May you read the scripture, book quotes, and message with a heart of care for our Haitian brothers and sisters in Christ.

To begin - take in a deep breath - exhale - repeat 3 times. Just be - and be still.
From Matthew 5:8 Jesus said, Blessed are the pure in heart: for they shall see God.

The following is from a book titled "God Is No Stranger" compiled by Elizabeth J Turnbull - a book of prayers by the Haitian people with the hope that we will see the beautiful light for Christ in the Haitian peoples heart and realize that God is no stranger. The photographer throughout the book is Wally Turnbull.

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing." - John 15:5

Senye'
Mwen konnen ke jaden mwen
P'ap pouse ni donner
Si m' pa travay li e yoye je sou li.
Donk, tanpri Senje'
Travay e yoye je sou jaden ke' mwen
Mwen vie donner pou ou.

Lord
I know my garden doesn't
grow or produce
unless I work it and visit it.
So, please Lord,
Work and visit the garden of my heart.
I want to produce for you.

Let's look at the soil of our hearts. We want the condition of our heart to be turned over, nourished, cared for to receive the love of Jesus Christ. And in that - may we produce a garden of generosity, kindness, peace, joy, love, forgiveness, servanthood, - all that reflects Jesus. May our hearts become Christ's home.

MEET THE CHURCH TEAM: WICKENLEY VENOR

Could you share your salvation testimony (your call to ministry)? What was your life like growing up? *As a young man growing up in a difficult community, where I have no one to support me, I grew up in a single-parent and a very large family where our mother raised eight children without a father. But God in his love, he gave my mother a lot of courage to raise us, it didn't stop there, my mother did everything that depended on her to send us to school, even if it was difficult to feed us.*

My mother did everything in her power to bring us to church through my older brother Pastor Wesley, the one who introduced me to Christ for my salvation and baptized me.

I am now a worship leader in Path to Salvation Church and I also play drums.

What has it been like living in Titanyen these last couple years? *Living (in) Titanyen during this time is something that requires a lot of wisdom and it seems like something risky because there's no presence of the police, there's no portable water, electricity, and many other things. We just living by faith.*

What does your typical week look like?

Because of the uncertainty, everything really changes, you can't move with your activities as easily as it was before, it's not right.

How would you describe the culture of PTS?

Path to Salvation is a blessing to our community, with the support of sending children to school, programs to feed the children, then sharing the gospel throughout the community and the support that I receive from Path to Salvation means so much.

What intentional steps do you take to maintain personal holiness?

To take my personal step with the spirit of God, I enjoy watching many worship videos on YouTube, listening to many teachings on the word of God.

How can we support you in your ministry?

The best way you can help me in the ministry: please keep me in your prayers so that I may stay in the presence of God and to be useful and to stay under God's protection.

AN UPDATE FROM PASTOR WESLEY

Grace and Peace be with you all from God our heavenly father and Jesus Christ his son.

I grew up in the community of Titanyen which use to be one of the best peaceful place where global outreach mission, hope mission and healing Haiti had used to bring many missionaries to serve children and elderly and to share the gospel of Jesus Christ. Now, the crisis of Haiti is a big challenge for us and make life is very difficult. But as pastor, there is two things that matters to me.

First, I have decided to put my trust in the Lord who is calling me to serve and to be a witness of his Kingdom on earth.

Secondly, I remind myself about my mission which is to share the gospel of Jesus Christ.

So, I do that to everyone by preaching about the love of God (John 3.16) and God's punishment too because the reward of sin is death (Rom 6.23). The situation is very difficult but I stand on God's promise because he is not man to lies. The Bible says, if God is for us what can be against us (Rom 8:31). That's why , I only count on God's protection for my family and for my church.
