

What is Education Code section 221.9?

- Education Code Section 221.9 requires that beginning in the 2015-16 school year and every year after, all public primary, secondary, and charter schools offering competitive interscholastic athletics in California must report on their school website (or district website if no school site exists) information about boys' and girls' athletic participation by the end of each school year.
- If a charter school does not maintain an Internet website, the charter school must submit the information to its charter operator.

What data must be published under Education Code Section 221.9?

- Total Enrollment of Students by Gender: Number of boys and girls enrolled in the school
- Athletes by Gender: Number of boys and girls who play competitive sports at the school
- Teams by Gender, Sports & Level: Number of boys' and girls' teams, classified by sport and competition level
- The reported number of athletes should reflect the total number of players on the team roster on the official first day of competition.
- When posted, the information must be disaggregated by school site.

What Records Must a School District or Charter School Retain under Education Code Section 221.9?

- The materials used by the school to compile the data required by Education Code section 221.9 must be retained by the school for at least three years after the information is posted on the Internet.
