

## **(DRAFT) Queen Qualified Community Curriculum Schedule**

Below you can view a sample of the tentative schedule for the first six months (God willing) and some potential activities through September '2025. All live meetings will be held virtually via Zoom as there will be sisters participating across the U.S and potentially some in other countries. Quarterly in-person meet-up opportunities will also be scheduled for those in the same region. One large in-person meet-up will be planned annually to occur in Oak Island, NC.

Below in green the chat only activities say, "All community members invited" and the activities for curriculum members say, "Curriculum Members."
  - All curriculum activities are subject to change other than those listed for the first six months from October '24- February '25. rr
  - All dates are subject to change based on the leader's schedule. Advanced notice of 2+ weeks will be provided if a change in date is needed when possible after an official schedule is released each quarter; this document contains a draft schedule.
