

At Netball for All, we are committed to providing a structured and efficient team experience for all participants. To ensure the quality of our programs and maintain the best possible experience for everyone involved, please review our Team Rules and Additional Player Policy below:

1. **Maximum Team Size**

Each team is limited to a maximum of **12 players**. This ensures balanced gameplay and an enjoyable experience for all participants.

2. **Additional Players**

If a team exceeds the maximum of 12 players, any additional players beyond the 12-player limit will be required to pay the **individual fee**. This fee is determined based on the program and will cover the cost of added resources, such as extra equipment, coaching, and/or administrative fees.

3. **Fee for Extra Players**

The individual fee for players beyond the 12-player limit is £95 per player for the full term. This fee must be paid in full before the player is officially added to the team. Failure to pay the additional fee may result in the player not being able to participate.

4. **Roster Management**

Team managers must notify Netball for all in advance if they plan to exceed the 12-player limit. This allows us to prepare accordingly and ensure a smooth experience for all participants. If an additional player is added to the team after registration, the individual fee must be paid within 48 hours.

5. **Refunds for Additional Players**

The individual fee for additional players is non-refundable, even if a player is later removed from the roster or unable to participate in the program.

By registering for a team with Netball For All, you acknowledge and agree to these roster and additional player policies.

If you have any questions or need further clarification, please feel free to contact us at info@netballforall.co.uk.

Thank you for your understanding and cooperation.
