

1. Friday May 15, 2026:

Grapple with the clues to find the medallion, let this clue be your first:

Three O'clock belongs to Lincoln, six, nine and mid-night belong to Burnside.

-----

2. Saturday May 16, 2026:

Ready for clue 2?

Grab your plat book, maps and pull up the GIS then look within the four corners of NE of the SW; NE of the NE; NE of the SW; & NE of the SE for the location of the medallion.

-----

3. Sunday May 17, 2026:

Eager to start? The third clue is for you:

Let us shrink the location and draw a new box, which include names like Sandbury, Village, Assessor's, Markham, Coy's and do not leave out Silver Fox.

-----

4. Monday May 18, 2026:

Excitement for maps may not be your game, so for this clue, let us describe the location by name. Seventeen letters would be pointed to by Vanna White, get them in order to spell the location right.
