Old Business:

- A. Discussion with Possible Action High Ammonia at the Public School:** Joe got the February reading back. Will test again tomorrow and should take 3 weeks for the results. Also contacted the Catholic School about the no dumping milk down the drain.
- B. Discussion with Possible Action Davy Facility Plan Review/Ferric Tank/Shed:** Joe has had discussions with Tim from Davy.
- C. Status Update of Water Pipe Survey:** Joe stated he is getting some back. The ones he hasn't received back he is trying to catch some residents that are outside in their yards.
- D. Discussion with Possible Action Ferric Tank and Shed:** Discussed with Item B
- E. Discussion with Update Grant Application:** Dawn has not heard and will check and update next meeting.

New Business:

- A. City Office and Council Update:** Dawn and Tom K. provided an update.
- B. Discussion of Well Pump Inspection:** Joe stated well pumps have not been inspected in a long time. DNR advises they should be inspected every 5-6 years.

Superintendents Report

A. Disconnect Update: Disconnect will be posted next week.

B. Jetter Status: Eli sent an email to the auction company but has not heard anything.

Commissioners Report: Joe stated we received our DNR inspection back on Friday. All good news. Well Blow Air rotted so had to fix. It was fixed with stainless steel. Joe will be going to a conference later this week.
