

## Let the Hunt Begin

Life is short, go fishing, play ball, canoe, play tennis, take a walk, go jogging, ride a bike.

Spend time with loved ones, smell the flowers, buy a rose, shop for real estate, have a rum cherry, enjoy a taco, sip a beverage.

Visit St Peter and Paul, star gaze in the darkness, listen for the chiming of the clock and the ringing of church bells.

Enjoy Bugle Lake, watch the water from the dam, listen to nature's sounds and the music tones of the park.
