

Letters to the Editor Endorsing Donna Kurtz

October 16, 2022

After over 26 years in the Treasurer's Office, the past eight years as your elected County Treasurer, I enthusiastically endorse Donna Kurtz to be your next Treasurer. By background and experience, Donna is by far, the most qualified candidate on the November ballot.

I sincerely hope you will join me and so many others in supporting her campaign.

Glenda L. Miller
McHenry County Treasurer

October 22, 2022

As the owner of a business that has been operational for almost 115 years and as a former McHenry County Board member with 26 years of service, I believe I know what it takes to successfully represent our community.

Two individuals who I have served with, Jeff Thorsen for County Board and Donna Kurtz for County Treasurer are outstanding candidates who have proven themselves to be dedicated public servants.

As a County Board member, Jeff takes the time to listen, assess and understand issues so he is able to best represent our community and our economic interests. In working with Donna over the years, I am certain that both her public service and her professional financial and management experience will be a tremendous asset in serving as our next county treasurer.

Both Donna and Jeff are the kind of people who we can trust to look out for our community and to consistently exercise fiscal restraint.

October 21, 2022

As an independent voter, I choose candidates based on their experience, integrity, and values. I am supporting Donna Kurtz for McHenry County Treasurer.

Donna has a strong track record of public service, both as a trustee at McHenry County College and as a McHenry County board member. She is served with honesty and transparency. She educates herself about issues and is a good listener.

Her professional experience includes three decades in banking and financial management.

Donna will continue the legacy of retiring County Treasurer Glenda Miller and her team with their high standards for excellence and is endorsed by Glenda. Donna is a woman of integrity and I encourage you to vote for her as our next county treasurer.

Linnea Kooistra
Woodstock

I am supporting Donna Kurtz to be the next McHenry County Treasurer. Over the years I've come to know Donna is a thoughtful, hard-working community minded person. Her knowledge of county government from her years as a County Board Member and her dedication to public service is also impressive.

Donna exhibits all the elements that we need in our County Treasurer. She is honest and open, understands the critical details involved with managing money, and is an excellent communicator who will work well with both staff and elected officials.

I also know that Donna will work hard to build upon the great work done by the current treasurer so our County can continue to take advantage of new advancements in technology and best practices.

We can trust Donna Kurtz to protect our tax dollars. Please join me in voting for Donna Kurtz, McHenry County Treasurer.

Mike Buehler

McHenry County Chairman of the Board
