

# **Texoma Stripper Challenge**

## Lake Texoma

### **Licensing Requirements:**

Two-thirds of Lake Texoma lies in Oklahoma, and anglers who are participating in the Texoma Stripper Challenge are strongly encouraged to be legally licensed to fish the entire reservoir. Most guides routinely fish on both sides of the lake. Please remember:

- Anglers with only a valid Texas Fishing license may legally fish only in the Texas portions of the reservoir.
- Anglers with only a valid Oklahoma Fishing license may legally fish only in the Oklahoma portions of the reservoir.

**Anglers may prefer to purchase a Lake Texoma license (\$12.50) to legally fish the entire lake. With this license, which is valid until December 31st following the date of issuance, a person may fish in both the Texas and Oklahoma waters of Lake Texoma without any additional Texas or Oklahoma fishing licenses.**

There are several convenient ways to purchase fishing licenses including in person, on-line, or by phone.
