

Evanston & Skokie Youth Ministry Listening Session

In March of 2018, the Pastors of St. Athanasius Parish, St. Joan of Arc Parish, St. Mary Parish, and St. Nicholas Parish came together and hired a full-time Regional Director of Youth Ministry to oversee a new initiative that would help each parish collaborate on Youth Ministry. Now, we are approaching the end of the first year of this new ministry and we want to hear what our parishioners have to say. Join us for a community event that will seek to inform, ask, and listen on Youth Ministry in our parishes and the grouping at large. Help us be part of the process of discerning how Youth Ministry will continue to provide the best programs, services, and events for the young people of Evanston & Skokie.
