

Neighbor to Neighbor
**Volunteer shopping and
delivery service for
Woodbury residents**

**Now featuring Labonnes
and New Morning!**

How it works: Volunteers will help you get your groceries from Labonne's or New Morning stores. The stores are overwhelmed with requests, and we hope to reduce the burden on the stores AND get you your groceries sooner. This is a free service for those who must stay home during the Covid outbreak. You pay the store directly, and groceries are delivered to your front door. Healthy volunteers also sought to help.
