

Dear Colleague,

As COMPA 2020 approaches, plans are underway to continue our tradition of “advancing the science, processes, technology, arts and image of public administration” while promoting “excellence in public service and administration.” This year’s conference theme is “2020 Vision: *Refocusing, Reforming & Restoring Public Service Values and Governance.*” In addition to panel presentations, keynote speeches, student debates, stimulating conversations, networking and much more, we are excited to offer an opportunity for book signings of COMPA members. If you have published a book in the field (in the last five years) or who will have a book being released in 2019/2020, we welcome the opportunity to host a book signing for you during the 2020 COMPA Conference. COMPA will provide for the first time an Exhibit Hall for our members that will highlight book publishers, university representatives, and other vendors. If you are interested in exploring this opportunity, please contact Elizabeth Overman (eoverman@uco.edu) or Kristie Roberts-Lewis (Kristie.Lewis@point.edu).

Sincerely,

Elizabeth Overman, Exhibitor/Vendor Committee Chair
