Title: An Innovative Scientific Breakthrough technology to achieve conversion of Fructose which will result in toxic free sucrose and also conversion of Glucose to make low GI sucrose

Manuscript ID: EJFST-295

Thank you for your interest in our journal. Your manuscript has been reviewed by two reviewers in this area. Please find the reviewers' comments and suggestions as attached with this letter. The Editorial Board has decided to publish your paper without any corrections. Please feel free to contact the Editor via email for any query. I look forward to hearing from you.

**Note:** These journals are affiliated to British Research Institute, UK, European Research Institute of E-recognitions

Good news!

Recently, a number of libraries in the UK have requested copies of our journals. This increases readership of our authors' articles and recognition. These libraries include: The Bodleian Library Oxford University, the Cambridge University Library, National Library of Scotland, National Library of Wales and Trinity College Dublin,

Thank you

(Editor-in -Chief)
