Bare Bones Butchering, LLC provides a service as an independent custom contractor for slaughter and butchery services. Bare Bones Butchering is a family owned and operated business with the goal of providing you with the best quality processing of your animal.

WE DO NOT MIX MEAT. This means that there is not cross contamination between species. The animal that you bring in is the animal that you take home.

After slaughtering, your animal will hang in our cooler and then be processed to your specifications. All requested product is returned to the producer/customer, frozen, sealed, and each individual package will be labeled "Not for Sale." All product is prepared for private use of the producer/customer.

We do NOT accept personal checks.

All beef, pork, lamb, and goat orders must be picked up within 5 days of being notified that the order is ready. Deer must be picked up within 3 days. There will be a charge of \$20/day for meat not picked up within the above time frame unless other arrangements are made at the time of drop off.
