**Scanning for 35mm/12mm negatives or mounted
35mm/120mm slides.**

For other film sizes please call for a quote.

(negatives must be in two or more per strip. All negatives in the strip are scanned.)

Slides must be removed from slide projector containers.

Base setup for an order is \$35.00 includes a flash drive.

Negatives or slides are dust blown and/or wiped with microfiber cloth. Auto color correction and levels adjustments applied where needed. Additional cleaning would be extra charge and we will notify you before we apply any cleaning directly on slide or negative.
