**8mm, Super 8mm, or 16mm films**

We scan each frame from your film reel and create a video file for each reel. The video file will then be converted for an editor and set to the correct speed. The file if needed will be corrected for density and color and edit out large blank sections. The cost for the production is \$25 for the first 500 feet plus \$10 for additional 250 feet.

0-50ft. .18ct/ft

51-100ft. .17ct/ft

101-200ft. .16ct/ft
