3	Gabriel Leshko, SCI Dallas -----Lord Jesus, please walk beside Gabriel, give him strength to
4	resist ways that are not of your teaching, and give him protection from harm while
5	incarcerated. He knows you, Lord, and he loves you deeply. May he bask in the
6	goodness and mercy that only you can provide to your children. Lift him up when he is
7	down, and allow him to see the good in all things, even when they may not be readily
8	evident. In your most precious name, Amen.
9	Mitchell Diventura, SCCI Dallas ----Pray for Almighty God to protect our brothers at SCI Dallas.
10	Hold them closely, and ease their fears over the virus situation, giving them spiritual
11	strength each day. Amen
12	Carlos Mulligan, SCI Benner -----Please pray the the Lord will free me from prison and
13	provide me wisdom, revelation, knowledge and understanding, so that I may be a preacher
14	and teacher of His Word. May HE forgive my sins, past and future and guide my interactions
15	with family and friends. May the Lord make me a man after God's own heart, and may my
16	heart, mind and spirit be renewed, so that I may communicate wisely with my family and
17	friends. Pray that the Lord will use me for HIS glory;that my household will serve HIM. May
18	the Lord bless and protect my kids and guide them, as well as my family and those who have
19	been standing by me. May the Lord lead me to a beautiful Christian woman, who will stand
20	by me faithfully, and who loves the Lord and knows HIS Word.
21	Andrew Bell, SCI Benner -----Pray for my family and the families of the people affected by
22	Covid--19. Amen.
