

# Prayer Requests

**Rene Torres, FCC Coleman, Florida**----Dear Jesus, thank you for my upcoming release from prison. You are the Great Healer, and I ask that you heal my wife's heart condition that is making it difficult for her to breathe. May it be your will that the doctors will provide the right advice and procedure to bring her back to good health. In the name of Jesus, I pray, Amen.

**Timothy Vork. SCI Benner**----Please join me in my prayers for the following: That I will find a job so that I can make more money; for all of our ministry partners and others who write to encourage inmates and share God's love; and for my fellowship partner and friend, Rick DiLaurenzo, that he will be in good health, and that he will receive the continued support of his volunteers who write to inmates as he does. Amen.

**Matthew Milisits, Ministry Leader SCI Benner**----**Please pray on behalf of our Fellowship Group:**

**T-Bone:** Heavenly Father, we thank you for your blessings each day, and we ask that You keep our Fellowship Group together so we may share Your love and grow in You. Amen.

**Terelle:** Dear Jesus, please continue to strengthen me with Your patience and increase my self-control, so that I can avoid negative outcomes or being deceived by the enemy. Thy will be done, Amen.

**PA:** God, please continue to reveal the truth of Your Word to us. I also pray that You will bless and heal Aunt Nissi of her kidney cancer and Mother Bernice of her heart and lung issues. Thank You, Jesus.

**Andrew:** Thank You, Lord, for continuing to be with us yet another week as we gather in Your Name and study Your Word. Please help us to be a shining light in this institution, always standing on your principles. May we be focused on You and keep You uppermost in our minds. Amen.

**Matthew:** For my mom who was officially diagnosed with dementia, we pray for her mental stability; for my dad to exercise the patience needed in order for him to help my mom; for my sister, Beth, to rely on the Lord's strength during this season of mourning.

**Group:** That all of us will spend more time in your word so that we can grow in the grace and knowledge of our Lord, Jesus Christ. In His name we pray, Amen.

**James Hockenberry, SCI Houtzdale**----Heavenly Father, we come to You on behalf of my sister, Wanda, that she may get her strength back; for our unsaved and sick loved ones; for my brother, Don, who has a spot on his lung; and for my release, that I am able to get into "Stepping Stones to Freedom" In Jesus Name, Amen.

**Eric Mosher, SCI Mahanoy**----Heavenly Father, I pray for my daughters, that You will soon soften their hearts and restore us, Lord, I miss them and love them, as you know. Please comfort us and heal the division in our family because of our past. We ask for this healing in the Name of Jesus, Amen.

**Kevin Getchius, SCI Somerset**----For my stepfather, Dennis, who has several serious health issues he is dealing with, sepsis, cancer, and kidney disease; May Almighty God heal him and comfort him during the coming weeks, remove all pain, and bring him peace. In the precious name of Jesus, Amen.

**Prison Mentoring Ministry**----Let us pray with joy for our new ministry member, William Woods. May Almighty God show him favor and bless him, May the Holy Spirit within him keep him safe from all harm that he may enjoy his walk with Our Lord, Jesus, each day. Amen.

**Rick DiLaurenzo, Ministry Founder**----Dear Jesus, I come to you on behalf of my good friend, **Shawn Lichtfuss**, asking that You would shower favor upon him and be with him during this difficult time leading up to and during his upcoming trial. May it be your will that the truth will prevail, and he will be released to go back into society, where he will proclaim your goodness and love to all who will hear. Amen.

**Adam Watson, SCI Forest**----Please pray that the Lord blesses me financially. My TV is broken and I do not have the money to pay for the repair. Heavenly Father, we pray in the name of Your Son, Jesus, Amen.

**James Bricker, SCI Phoenix**----Heavenly Father, we pray for more opportunity to have Sunday services on the West side, where I am at in SCI Phoenix. The East side does get regular Sunday services but we do not on the West side. Please help correct this lack, so that we may join together in praise and worship. And please show favor for my sister, that she would receive the help she needs and also visit with me soon. Amen.

Please read these prayer requests daily, asking Almighty God to grant these requests, and bless His children with all of their needs and desires. Amen.
