

Prayer Requests

Claudio Manzanet, SCI Frackville----Please pray for his upcoming hearings, that he may be granted commutation and release to be with his family in the community. We ask the favor of the presence of Almighty God in his daily life to protect him and keep him from all harm. Amen.

Matthew Milisits, SCI Benner----For our new ministry member, Matthew, we pray that he will receive the Light and blessings of the Holy Spirit within him as he continues to do the Kingdom work that Almighty God has blessed him to do. May he lead many other men to a close relationship with our Lord and Savior. Amen.

Charles Diehl, SCI Mahanoy----Pray that Almighty God will shine a light on the path of his release from prison. Also, that HE will continue to support and bless Chuck in his ministry role with the men at SCI Mahanoy on behalf of PrisonMentoring.com. May he continue with the strength of the Holy Spirit in this Kingdom work. May he continually find peace, wisdom and discernment in HIS Word. May it be God's will that HIS son Chuck will be granted release from his confinement in the days soon to come. Amen.

Alexis Rodriguez, SCI Dallas----We fervently pray that it be the will of God Almighty that HIS son, Lex, be released by the Board of Parole, that he may have a second chance on freedom, to faithfully serve our Lord and Savior Jesus Christ, and the strength to await God's perfect timing. Amen.

Vincent Franklin, SCI Huntingdon----May Almighty God bless him and his Kingdom work on behalf of the PrisonMentoring ministry. May his incarcerated brothers see the Light of the Holy Spirit within him and be attracted to a relationship with our Lord and Savior, that they, too, will sing HIS praises. Amen.

Stephen Wood, SCI Forest----Lord Jesus, we ask that you place your healing hands upon brother Miguel, and allow complete healing of his injured arm. May he feel the peace of Your calming Presence, and know that You walk beside him every waking moment. Amen.

Jamie Sharkey, SCI Somerset----We pray for Jesus to place His healing hands upon Kim Butler, that her body will be restored from the strike she recently suffered. May she feel the presence of Jesus in all that she does, and that her friend Brian will also come to know the Lord. Amen.

Harry Jefferis, SCI Dallas----Lord Jesus, lift up brother Jeff today, that he will feel your presence, knowing that you will remove all fears and replace them with calming peace. We pray for Your healing hands to make him whole, remove all pain and discomfort, and provide the path towards total recovery. Amen.

Scott Jenks, SCI Benner----Heavenly father, we come to you for our brother, Scott, who has been the victim of a financial deception, in which he has had his money stolen by those who are guided by satan. We ask that those who have done him harm would fall into a pit that they have devised, that their actions will bring them shame, and that You, in Your Almighty power, will see to it that justice is restored for our brother, Scott. May he accept this financial setback, knowing that you will always provide for his needs. Amen.
