

## HUSKER BASS CLUB MINUTES

The November 2025 Meeting of the Husker Bass Club was called to order by Kenny Rowe at 7:31 p.m. Tim Gleason read the minutes of the October 2025 meeting and they were approved. Dean Josten gave the Treasurer's report. We have \$165.00 in petty cash, \$1,416.00 in checking, tournament fees owed \$0.0, and \$0.00 in prepaid tournament fees.

Tom Evans discussed the unusual scheduling of the Stockton tournament based upon the weather forecast. The forecast for Saturday was for stormy weather, so it was decided that Friday and Sunday would be tournament days. On Friday night, the forecast for Sunday was for a 40 degree drop in temperature and clear and sunny skies. This being a clear indicator of the passage of a major cold front did not bode well for good fishing on Sunday. So, it was decided that Friday would be the only tournament day and all left for home on Saturday.

Kenny handed out medals for the Stockton Tournament held in October:
