

# CAROLINA STAINED GLASS

## THE GLASS GAZETTE

SEPTEMBER 2023

### FALL 2023 CLASS SCHEDULE

- **INTRODUCTION TO STAINED GLASS - \$195.00**

*Thursdays: 6:00pm - 8:00pm - SEPT 14 - OCT 12*

*Students will learn glass cutting basics and the copper foil method of stained glass construction. Students must purchase their own glass cutter, breaker pliers and soldering iron. Fee includes materials.*

*INSTRUCTOR: Beth Sherbert (Pattern may vary)*

- **ON EDGE FUSED GLASS PLATE**

*Saturday, September 23: 1:00 pm - 4:00pm: \$275.00*

*Create an 8X8 plate using strips of glass placed on edge. Students will learn how to cut strips of glass for use in their project. Special design elements will also be provided. Construction will be completed in this 3 hour class. The projects will be fired and slumped for pick-up at a later date. INSTRUCTOR: Heidi Valley*

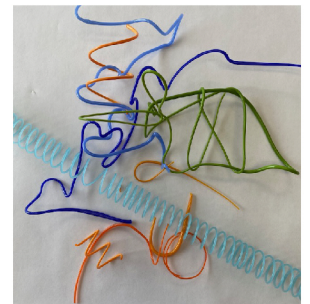

- **VITRIGRAPH CLASS**

*Tuesday, September 26: 5:30pm - 8pm: \$145*

*Learn the art of pulling Vitrigraph - a hot glass technique of pulling hot glass through a hole in the floor of the kiln. These glass stringers can be used to create your own unique curved forms. Students will share the vitrigraph pull. INSTRUCTOR: Suzie Geyer*

*CLOSED TOED SHOES, JEANS AND A LONG SLEEVE COTTON SHIRT ARE REQUIRED.*

- **3-D FUSED GLASS TREE - \$175.00**

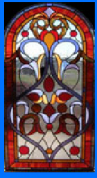

*Fabrication - Tues OCT 24 - 5:30pm - 8:00pm*

*Assembly - Thurs OCT 26 - 5:30pm - 7:00pm*

*Create a 3 dimensional lighted tree approximately 9" tall. All materials provided including light source. No glass cutting or fusing experience required.*

*INSTRUCTOR: Suzie Geyer*
