

Shipping policy

Processing may take up 3 BUSINESS DAYS depending on the item ordered. Shipping time is based on USPS/UPS and is not guaranteed by our company. You will receive an initial email confirming your order and a tracking email for confirmation of shipment.

In the event an order is returned due to the wrong address being provided on the customers end, there will be a reshipment fee or a refund can be provided to the customer less the original shipping fee.

If you choose the First Class Shipping option, it is NOT covered with insurance. We will not send new merchandise nor refund you if the package shows delivered on our end. Please choose the **Priority shipping option** to ensure your order is covered by the \$50 insurance provided by USPS.
