The Lincoln-Way Area Business Women's Organization ("LWABWO") is a nonprofit club formed in the 1970's to support the interest and networking of the business women in the work world, as well as to extend opportunities to local business women through education.

Our focus is to provide scholarship funds to graduating Lincoln-Way community female high school seniors and adult women for the purpose of continuing education. The number and size of the annual scholarship awards are based on the results of our yearly Holiday Christmas Auction. At the 2019 Auction, LWABWO was able to provide \$17,000 in scholarships to Lincoln-Way residents which cannot be done without the support of local business sponsors.

As a valued local business, we are writing to ask for your support. Your donation, no matter how big or small, will be part of gift baskets that will be gathered, displayed and sold at the auction. In particular, donated gift cards or cash donations are generally appreciated for gift baskets.

You can learn more about our organization and the auction by visiting our website, www.LWABWO.org.
