

Dear Business Owner:

The Lincoln-Way Area Business Women's Organization ("LWABWO") is a 501c6 nonprofit club that was formed in the 1970's to support the interest and networking of area business women, as well as to extend opportunities to local women through education.

Our focus is to provide scholarship funds to graduating Lincoln-Way community female high school seniors and adult women for the purpose of continuing their education. The number and size of the annual scholarship awards are based on the earnings of our yearly fundraising. However, the number of applicants always far exceeds the number of awards we are able to give each year.

Our Holiday Christmas Auction has been our largest fundraiser for many years. With 250 guests in attendance, it is **sold out** year after year. An event of this size could not happen without the support of local businesses and community members. As a volunteer- driven organization, your partnership is essential to the success of our mission.

We are in great need of financial support to keep the scholarship tradition alive. For over fifty years, LWABWO has donated scholarships and is hoping that you will help to keep the momentum going. We invite you to partner with LWABWO to make a difference in the Lincoln-Way area communities. Your donation or sponsorship, no matter how big or small, will make it possible for more local women to benefit from a scholarship.

Below you will find information on how to donate to our cause and also how to become a sponsor of our annual Holiday Christmas Auction. Any questions may be directed to LWABWO@gmail.com. For more information about our organization please visit www.LWABWO.org. We appreciate your support.

Thank you,

Lincoln-Way Area Business Women's Organization
