For monthly payers, tuition is due on the first of each month or the child's first regular day of attendance for the month before care is given. Weekly payers and Bi-Weekly payers are to pay on their child's first day of attendance for the week. Payments are due promptly on their specified due date. A late fee of \$25 will be due for any monthly payments received after the 5th of each month or any weekly payments not received by the end of the week. Returned check fee is \$50. Late fees will automatically be deducted from your child's deposit and need not be added to your child's bill unless your deposit becomes depleted. Deposits are non-refundable as this is our security that that you will be giving us two full months' notice before you leave our program. If for some reason you leave a deposit and do not start the program, then you will be responsible for the first two months of tuition payments minus your deposit amount. Deposits are applied to a child's final month of care and will be credited off your child's final tuition payment only if a minimum of 60 days notice is given. If you do not give 60 days of notice and decide not to bring your child back to our program, you are still responsible for your outstanding bill and none of your deposit will be used as a credit to this amount. Billing is done paperless through email/ Brightwheel, so a billing email needs to be on file. A sibling discount of 10% is allowed and will be applied when you have multiple enrolled children. Discount is applied to the least expensive tuition on a sibling discount. By signing this form, you are agreeing to pay the Little Red House of Westchester, LLC the above tuition rates and are liable for payment in full regardless of vacation, sick or otherwise missed days. I understand and agree that I am enrolling my child in the school named Little Red House of Westchester, LLC.
